## Sermon Notes

Covenant Park Church

GATHERING OUR *Community* TO MAKE *Jesus* KNOWN

## THE BOOK OF ROMANS

### Follow-up Questions

1. Generational sins are those unresolved sinful habits that get handed down by generations between parents or grandparents to their offspring. Through observation and hard knocks, children emulate these sinful patterns and the vicious cycle continues. How can you identify these in your family history? How can you stop them? What practices can you incorporate this week to change direction?
2. If you are a Christian, what does it mean to be saved by the life of Jesus (v.10)? How does His life history impact your daily walk?
3. Write down the Romans road verses. This practical approach should be the missionary tool box so we can effectively share gospel at any time.
